Helen CIR - Absorber Custom Print

Helen Custom Print is the go-to solution for quality high resolution acoustic artwork. Any design can be printed on to the panel, be it your favourite movie poster, artwork, a family photo or even your company Logo.
The printing is carried out directly onto the fabric using water based pigments. The fabric undergoes a special heat conditioning process to ensue long-lasting vibrance and UV protection. No additional chemicals are used in the preparation or printing of the fabrics - A truly eco-friendly method.
Helen is equipped with a 100% recycled acoustic core and can easily be mounted on any surface.
