Chroma XL Broad - Absorber

Chroma Absorber is a premium acoustic panel designed to be seamless and high-performance. Featuring a tensioned fabric front and a high-performance acoustic core, it delivers exceptional sound control while maintaining a uniform look throughout the room, perfect for listening rooms and home cinemas.
Constructed with Artnovion's aluminium profile, Chroma Absorber ensures structural stability and easy installation. Its acoustically transparent weave fabric option allows placement in front of speakers without compromising sound quality.

Features

Type:
Absorber
