

Myriad Tile Plus - Panelling

More than a simple acoustic panel, Myriad is a design tool that thrives on creativity and imagination. Myriad has a lean, elegant shape and comes with a fabric-covered front, and is easily glued to surfaces, and is supplied with an installation template to simplify installing panels with perfect spacing. Built for high-frequency reverberation control, Myriad is made of a recycled PET core that rates as a Class 1 material according to the OEKO-TEX® Standard 100. It is available in 2 different fabric finishes, providing multiple colour options and combinations to take the acoustic design possibilities even further.
