# Thor Tech - Absorber

Thor Absorber Tech is a high-performance acoustic foam absorber designed specifically for the ChromaX line. Its profile targets mid and high frequency control, reducing early reflections. Lightweight and simple to install, it provides stable absorption performance in home cinemas, while allowing cables to pass discreetly through its core without compromising acoustic performance.

## Features

Type:
Absorber

Absorption Range:
400 Hz to 5000 Hz

Acoustic Class:
C | (αw) = 0,65

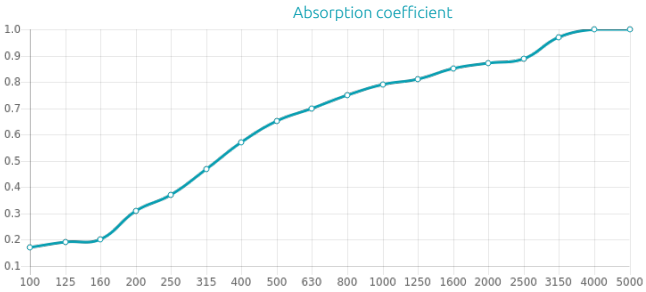

## Purpose

- RT reduction
- Improving speech intelligibility
- Flutter echo control
- Reducing excessive reverberation

## Recommended for

- Home Theater

## Performance

This product is available in the following Fire Rate:
FG | Furniture Grade
